Slip to the file

35 In his letter No. 292 dated the 11th January 1912, the Deputy Commissioner, Chitaldrug District, pointed out that in point of sanitation his District was in a very backward condition, unhealthiness spreading over the Taluk Head Quarters and adjoining villages, and proposed the appointment of a full-time District Sanitary officer for the District in order to investigate the causes of unhealthiness and to suggest remedial measures.

36 While reviewing the report on Sanitation in Mysore, for the year 1911, Government found that the rate of mortality from fever was quite high in Chitaldrug District and observed that the causes of this should be investigated. With reference to this, the Deputy Commissioner again urged the necessity for a full-time Sanitary officer to investigate the question.

37 Government agreeing with the Deputy Commissioner as to the necessity for a full-time Sanitary officer, the Sanitary Commissioner was requested to submit necessary proposals in the matter.

38 The Sanitary Commissioner suggests that a District Sanitary Officer on the scale of pay of Rs (150-10-250) may be sanctioned for the

59 Under the Health Scheme order there should be a District Sanitary Officer in each District. As there were no suitable candidates for the post in all the Districts it was ordered that San Asst should be in charge of the Districts subject to their ceasing to exist after the appointment of District Sanitary Officers. There is at present a District Sanitary Assistant in Chitaldroog and his appointment should be abolished when it is decided to appoint a District Sanitary Officer.

60 There is provision in the current year's budget for meeting the pay of the D.S.O. proposed above.

Serial No.

(i) the person to be appointed as Dr. Sanl Offr q. Chitaldrug, Mr C. N. Ganapathy, or Mr Srinivasa Pickpatt?

(ii) the abolition of the Dr. Sanl Assistants post, as against the creation of the Dr. Sanl officers, at Chitaldrug, and how to dispose of the present incumbent

and (iii) the appointment of whole time Dr. Sanl offices for Bangalore, Tumkur and Hassan, which have Dr. Sanl Asstts now.

2. As regards (i), it is unlikely that Mr C. N. Ganapathy will accept a post q 150 — 250. ~~Pgs 1 to 3 consider~~ this case with the file relating to ~~Mr~~ Mussiffs appointment in Bombay Mr Pickpatt may be probably appointed, unless Mr Ganapathi can be made to accept this post.

As regards (ii) the logical result of the appointment of a whole time Dr. Sanl Offr should be the abolition of the temporary post q Dr. Sanl Asstt and his replacement by a Dy Inspectr q Vaccination. But this will work hardship on the present incumbent q the office. From the abstract for

NOTE—Contn. sheet.

GIP—65,000—17-6-12.

Serial No.

of view, however, the temporary grade cannot be continued merely for personal reasons, when the necessity for it has ceased. It appears, however, possible to utilise the services of the Dt. San[y] Asst. by posting him to a malarial District for work in connn with the proposed scheme to check the Vaccination of malarial population, by placing him in a portion of a malarial district and placing him in Sanitary charge of that portion under the control of the Dt. San[y] Off[r]. This will give him the increased responsibility and work, necessary to justify these higher pays drawn by him as Compared with a Dy. Inspector of Vaccination, while it will ensure a closer examination of malarial villages than can be done by only one officer, the D. S. O. helped only by a D. I. V. who is ignorant of the San[y] Science. If this view is accepted by Govt, the present Dt. San Asst. of Cuttalong may probably be posted to Shillong Dt, for work in Sagar, Nagar and Dittumbally, with headquarters at Sagar or Kalimba

NOTE—Contn. sheet.

Serial No.	
	From The Sanitary Commissioner, No. 3059 dated 28.1.14
12	75 Forwards application from Mr. M. G. Srinivasa Pickpatt, expressing his willingness to accept the starting pay of Rs 150/- per mensem, in the grade of Rs 150-10-250 and recommends that he may be appointed as District Sanitary Officer, Chittoor District, on probation for one year.
	76 With reference to para 73 of the note it is submitted that the Sanitary Commissioner has sent up a memo+ embodying his views on the subject of the reorganisation of the public Health department. In the memo referred to, the Sanitary Commissioner states "The proposal to revise the scale of pay to District Sanitary Officers does not, in my opinion, call for immediate action". He proposes that District Sanitary Officers should be appointed for all the districts
	77 As regards the postings of the District Sanitary Officers referred to in para 62 of the note, it is submitted that the Sanitary Commissioner is of opinion that they may be deputed solely to supervise vaccination, which is an important item of work.
	Submitted for orders.
	9.2.14 As Mr Pickpatt is willing to accept the appointment on the usual pay, and as both Messrs Achyuta Rao, and Bruning Mudaliar have recommended his appointment

Final note by the Second Member 29

of Council.

Subject:-

Appointment of a full-time Sanitary officer for the Chitaldrug District.

Sl 1 in the file

90 The Deputy Commissioner, Chitaldrug District having in his letter No 292 dated the 11th January 191 urged the appointment of a full-time District Sanitary Officer for his District which was in a very backward condition in respect of the sanitation of most of the villages as well as Taluk Head-quarter towns, Governme requested the Sanitary Commissioner to invite applications for the post and submit a list of applicants together with their qualifications for the orders of Government. Accordingly in his letter No 1224 dated th 17th September 1913, the Sanitary Commissioner has submitted a list of applicants for the post of District Sanitary Officer, Chitaldrug District and has recommend that Mr.M.G.Srinivaspeidpett who has passed the B.S.Sc. degree of the Madras University may be appointed as District Sanitary Officer on probation for a period o one year on the sanctioned scale of pay i.e. Rs 150-

per mensem. The papers being circulated to the Council all the members are of opinion that the proposal of the Senior Surgeon to appoint Mr.Srinivaspeidpett as District Sanitary Officer may be sanctioned and that he may be posted to the Chitaldrug District. I recomme that his appointment may be sanctioned in these circumstances.

2. The cost involved in this proposal has been provided for in the budget for 1913-14.

B a n g a l o r e.

Sir,

In forwarding herewith copy of my letter No. 999 dated 9th December 1911, to the Sanitary Commissioner urging the necessity for the appointment of a full-time Sanitary Officer to this District, I have the honor to state that in point of sanitation, this District is in a very backward condition. Almost all the Taluk Head Quarter towns are in a very unhealthy condition. Unhealthiness is spreading over some surround-ing villages and as a consequence, plague, malaria and cholera have been matters of frequent occurrence in the District. With a view to suggest remedial measures against the unhealthiness of the affected localities and investigate projects connected with the sanitary improve-ments to be effected in the whole District, the services of a full-time Sanitary Officer are essential for this District. The present District Sanitary Assistant, has not been doing any useful work in this direction The District Medical and Sanitary Officer having had to attend to other important duties can hardly be expected to devote attention for suggest-ing improvements in point of sanitation. Eversince the completion of the Marikanve project, the villages the lands of which are irrigated by the water of the Reservoir, have grown unhealthy and the question of effecting sanitary improvements in all these localities deserves the early attention of Government.

2 The Government in their order No. 1378-92/San 93-06-8 dated 10th

August 1907 have sanctioned full-time Health Officers for the cities of Bangalore and Mysore and Kolar Gold fields and subsequently for the Mysore and Shimoga Districts. This District, in point of population, area, and the vast number of health schemes to be investigated is in no way inferior to these cities and Districts. It is under contemplation to extend the Railway line sanctioned from Chickjajur to Chitaldrooog up to Hiriyur with a view to find better market for the produce of the lands irrigated by the Marikanve Reservoir. Further, it is proposed to introduce the Block-System in respect of lands to be irrigated by the High Level Channel with a view to make the best possible use of all the available supply of water from the Reservoir. When these objects are accomplished, there is every likelihood of this District competing with 1st class Districts in the province in point of Revenue, population, area, and importance, and its proper sanitation has to engage very early attention. In view of the foregoing, I request the favor of your moving the Government for sanctioning the appointment of a full-time Sanitary Officer for this District.

I have the honor to be,

S I R,

Your most obedient servant,

K Meaudy

Deputy Commissioner,

Chitaldroog District.

3

Copy of letter No. 999 dated 9th December 1911 from the Deputy Commissioner to the Sanitary Commissioner in Mysore, Bangalore

----------oOo----------

In forwarding herewith an extract from the diary of the Amildar of Challakere Taluk for the month of October 1911, bringing to notice the unhealthy condition of the town of Challakere, I have the honor to request the favor of your instituting needful enquiries for ascertaining the causes contributing to the unhealthiness of the towns of Challakere, Molakalmuru and Hosadurga in this District and suggesting remedial measures for the improvement of these towns.

2. In view of the growing unhealthiness of the towns alluded to above, as well as the bad health of the Hiriyur Town and its surrounding villages and also the prevalence of plague annually in the Davanagere town and in several villages, I beg to state that it is desirable that a fully qualified and full-time Health Officer or District Sanitary Officer should be deputed for the District. The office of Deputy Inspector of Vaccination may then be abolished, Vaccinators being put under the Health Officer.

To

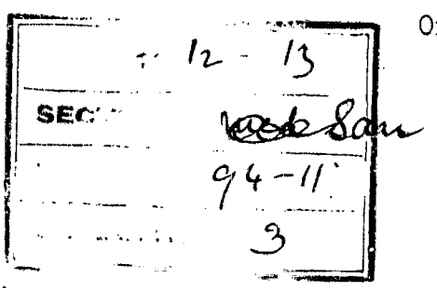
1695 K. R. Sreenivasaiyengar Esquire, M. A.

Officiating Secretary to the Government of

His Highness the Maharajah of Mysore,

General and Revenue Departments,

B a n g a l o r e.



S i r,

Adverting to para 4 of Government order No. 1540-9/ Sany. 141-11-5 dated 7th August 1912 directing that the high death rate from fevers in the District during the Calendar year 1911 requires early investigation, I have the honor to report that in my opinion the high mortality is due in the main to the insanitary condition of almost all the Taluk Head quarter towns and some of the important villages, the supply of bad water also adding to the unhealthiness of the places; and as a result the outbreaks of fevers, cholera etc, have become matters of frequent occurences. It may be stated here that cholera broke out in the District in April last and during the course of a couple of months carried away about 1800 souls. With a view to investigate into the causes of unhealthiness of the several parts of the District and to suggest the remedial measures, the appointment of a whole time Sanitary officer for the District is quite necessary. Proposals to this effect were made in my letter No. 292 dated 11th January 1912.

2. The defective sources of water supply in all the important villages and towns have to be necessarily improved and on this subject also a reference was made in my letter No. 96 dated 14th August 1912 with the object of saving so many valuable lives.

Separately dealt in Sanitary file no 38/1911

3.

3. If early and favourable orders are kindly passed by Government on the references quoted above, there can be no doubt that this District will be receiving very valuable help from Government for saving the lives of ryots, who, as already submitted are the most valuable economic asset.

I have the honor to be,

S i r,

Your most obedient servant,

K Chandy

Deputy Commissioner,

Chitaldrug District.

B a n g a l o r e .

Sir,

With reference to your letter No. 3343 Sany. 94-11-dated the 7th November 1912, I have the honor to state that I agree with Government in the opinion that for the efficient Sanitary Administration of the Chitaldrug Dist a full time Sanitary Officer is very necessary. In vie of fact that the population of the District is a little over 5½ lakhs, which is less than that of the Kolar Dist I consider that the appointment of an officer of the grade of District Health Officer would be too costly and that a District Sanitary Officer on the scale of pay sanctioned in Government Order No. 6327-38 Sany. 139-08-dated the 26th January 1910 viz. Rs. 150-10-250 may be sanctioned. On receipt of orders on this proposal, I shall suggest the name of a suitable candidate for the place, for the approval of Government.

From

P.S. Achyuta Rao Esq.
Sanitary Commissioner with the Government of His Highness the Maharajah of Mysore, BANGALORE.

To

K.R. Srinivasa Iyengar Esq., M.A.,
Secretary to the Government of His Highness the Maharajah of Mysore, General & Revenue Departments, BANGALORE.

SIR,

In reply to your No. 709 Sany. 94-11-8 dated the 17th July 1913, I have the honor to report that in accordance with the instructions of the Government I advertised calling in applications for the post of the District Sanitary Officership of the Chitaldrug District.

2 I submit herewith a list shewing the names of the applicants, their qualifications etc.

3 The only one that has taken a local (Madras) degree in Sanitary Science is Mr. M.C. Srinivas Peidpatt

4 Only two secured this degree of the Madras University this year of which one is Mr. Peidpatt and the other is one Mr. C. Rama Murthi. The latter has secured or will soon secure a decent appointment in the British Indian Service.

5 In fact up to date only four candidates have taken degrees in Sanitary Science at Madras and of

of these two viz. Messrs. B. Krishna Rao and Mr. R. Subba Rao are already in service.

6 I consider Mr. M.C. Srinivas Peidpatt is eminently fitted for a District Sanitary Officership in our State.

7 I have however already recommended that in case Mr. Munsiff should secure the appointment in the Bombay Presidency Mr. Mascarenhas would do well for Health Officership of the Kolar Gold Fields and that Mr. Ganapati may be offered the District Sanitary Officership of Chitaldrug. Should Mr. Ganapati's ambitions be much higher and he decline to accept the District Sanitary Officership of Chitaldrug I would strongly recommend Mr. M.C. Srinivas Peidpatt for the post.

8 In this connection I would also urge upon the Government the necessity of providing Bangalore, Tumkur and Hassan Districts with whole time District Sanitary Officers as I find it impossible for the District Medical Officers of these Districts to do anything like justice to the sanitary duties that are now attached to them.

I have the honor to be,
Sir,
Your most obedient servant,

J. J. Ayyangar

Sanitary Commissioner.

Office of the Sanitary Commissioner
with the Govt of Mysore -
Camp Mysore dated the 18th October

Dear Sir,

In reference to your D.O. of Yesterday
date re- offering of a District Sanitary
Officership to Mr Ganapathi, I beg to
intimate that the needful information
will be obtained and submitted to the Go
(Meanwhile and irrespective of the question
of appointment of a District Sanitary
officer for Chitaldrug, I solicit the favour
of early orders in regard to the posting
of a Gazetted officer for the Medical
charge of the Imperial Service Lancers
at Bangalore. It is an important
charge and I think one should be
posted early thereto.)

Yours Sincerely
(Sd) P.S. Achyuta Rao.

To. D. Mr. Narasinga Rao Esq. B.A. B.L.
Deputy Secy to the Government
of Mysore, Pen. & Rev Departments

General and Revenue Secretariat,

Dated Bangalore, 23 December 1913.

Dear Sir,

May I invite your kind attention to Mr. D.M. Narasinga Rao's D.O. dated the 17th October 1913, requesting you to ascertain if Mr. Ganapathi would accept the place of a District Sanitary Officer on Rs 150-10-250, and your reply thereto D.O. ~~No. 2402~~ dated 18th October 1913. As the information promised in your D.O. has not yet been received in the Secretariat, I am to request you to kindly cause the same to be furnished early.

Yours Sincerely,

Am.

To.

P.S. Achyuta Rao, Esquire, L.M. & S.,
Sanitary Commissioner in Mysore.

SIR,

U6 In continuation of my No. 1224 dated the 17th September 1913 and No. 2402 dated the 23rd Instant, I have the honor to forward the accompanying application of Mr. S. Peidpett for favorable consideration and orders and to state that it is by no means easy to secure Medical Officers with B.S.Sc. degree for the simple reason that this young man is the only one possessing that degree who is yet seeking a place. He would certainly get a decent place in the British Indian Provinces, but he is anxious to serve his country of adoption viz. Mysore.

I have the honor to be,
Sir,
Your most obedient servant,

P.S. Achyuta Rao

Sanitary Commissioner.

Sir,

In offering myself as a candidate to the post of the District Sanitary Officer, Chitaldoorg District, advertised on the 18th August, 1913 in the Mysore Gazette, dated 21st August 1913, I beg to bring to your kind and favourable consideration the following few lines:-

I, aged 24 years, am the youngest son of the late Kavi Giriappa, a well known Telugu poet in the Palace of Mysore. I had my early education in the Maharaja's College at Mysore - ~~from~~ whence I passed my First-in-Arts Examination of the University of Madras. Since then I had been a medical student - in the L. M. & S. Section of the Madras Medical College. I passed successively all the University Examinations for the -- L. M. & S. Degree and took the second place in the final examination in the year 1911.

I further beg to state that in addition to the above, I have taken a course of lectures in Sanitary Engineering organised by the Government of Madras for the training of Assistant Surgeons and have passed third in the list.

I have successfully gone through a course of study in Dental Surgery as a special subject for a period of six months - in the Madras Medical College.

I had also an opportunity of being appointed by the - Principal, Madras Medical College, as Assistant Demonstrator of Anatomy for a period of six months from July to December 1911 for instructing the first and second year medical students.

I have undergone a Post-Collegiate course of study in Analytical Chemistry for a period of eight months in the Laboratory of the Chemical Examiner to the Government of Madras, and have familiarized myself with the analysis of air, detection of gaseous emanations and other impurities in the atmosphere, and in the analysis, chemical and microscopical, of water, food, drugs and other articles of adulteration in common diet.

The Principal of the Madras Medical College had the kindness to appoint me as Assistant Demonstrator of Practical Hygiene and Bacteriology for 3 months from January to March 1912 for the training of the third and fourth year medical students.

The Health Officer of the Corporation of Madras had appointed me on two occasions in 1909 and 1910 as Medical Assistant for the Ambulance Staff entertained during the Carnival of Sports in connection with the S.I.A.A,, Madras.

I beg to state that the keen interest I evinced in Surgery and Midwifery during my college course made me take a special course of Hospital Practice in the Government Maternity Hospital, Madras, where I acted as Honorary Medical Officer for five months and have thus acquired considerable experience in Midwifery and in the diagnosis and treatment of diseases of women and the new-born babe.

Recently I have been an Assistant Demonstrator in Chemical and Experimental Physiology and Histology from January to April 1913 in the Madras Medical College.

I was a candidate for the Bachelor of Sanitary Science Degree Examination of the Madras University held in last April after having undergone fully the required courses and have come out successful in the test.

I beg to bring to your kind notice in this connection that the B.S.Sc., Degree Graduates of the Madras University are placed on an equal footing with the D.P.H!s of an English University in the selection of candidates for the first grade Health Officer-ship in Britis

25

British India carrying a salary of Rs.300-20/1-500, for which I am an applicant. Being a native of Mysore I shall be extremely happy to serve your Government on an initial start of at least Rs.200/- in the grade of Rs.150-10/1-250 per mensem you have proposed.

I, therefore, request you, Sir, to consider my qualifications and do the needful in the matter, for which act of kindness I shall be highly thankful to you.

I beg to remain,

Sir,

Your most obedient servant,

M. G. Srinivas Piedpatt
